

Major 10 Health Schemes of Gujarat Government

Citizen Handbook & AI Helpdesk Information Compilation (Comprehensive Guide)

1. Introduction & Healthcare Infrastructure

The Government of Gujarat has established a robust healthcare infrastructure to provide quality, accessible, and affordable healthcare services to every citizen. The state operates a vast network of Primary Health Centres (PHCs), Community Health Centres (CHCs), Sub-District Hospitals, District Civil Hospitals, and Government Medical Colleges. This system ensures healthcare access across rural and urban populations alike.

Gujarat Digital Health Mission

Under the Ayushman Bharat Digital Mission (ABDM), Gujarat is rapidly implementing a digital health ecosystem. Every citizen is provided a 14-digit unique ****ABHA ID (Ayushman Bharat Health Account)****. Medical records, lab reports, prescriptions, and treatment histories are securely stored in a cloud infrastructure, allowing paperless access across empaneled hospitals statewide and nationally.

Importance & Key Benefits for Citizens

To prevent poor and middle-class families from falling into financial distress due to critical illnesses, the state government offers comprehensive cashless treatment and financial assistance schemes. The key benefits include:

Financial Security

Cashless treatment up to ₹10 Lakhs for life-threatening diseases including cancer, cardiac procedures, and kidney failures.

Maternal & Child Health

Institutional delivery, nutritional financial assistance, and free health screening for pregnant women and newborns.

Rapid Emergency Services

24x7 emergency medical transport via 108 ambulances and free tele-consultation through 104 Health Helpline.

Empaneled Network

Free treatment across all government civil hospitals as well as empaneled private super-specialty hospitals.

2.1 Ayushman Bharat - Mukhyamantri Amrutam (PMJAY-MA)

1. Overview & Purpose

Scheme Name: Ayushman Bharat Pradhan Mantri Jan Arogya Yojana - Mukhyamantri Amrutam (PMJAY-MA).

Purpose: To provide cashless, paperless medical cover up to ₹10 Lakhs per family per year to eligible poor and middle-class families in Gujarat for tertiary care hospitalization and surgeries. The state's former Mukhyamantri Amrutam (MA) and MA Vatsalya schemes are now fully integrated into PMJAY-MA.

2. Benefits Provided

Eligible families receive **₹10,000,000 (Rupees Ten Lakhs)** annual cashless cover. Over 2,700 medical procedures and surgeries are covered under the scheme.

Disease Category	Covered Treatments & Surgeries
Cardiology	Angioplasty, Open Heart Bypass Surgery (CABG), Valve Replacement, Pacemaker Implantation.
Oncology	Chemotherapy, Radiation Therapy, Surgical Oncology, Bone Marrow Transplants.
Nephrology & Urology	Kidney Transplants, Dialysis Services, Laser Surgery for Kidney Stones.
Neurosurgery	Brain Tumor Surgeries, Spinal Surgeries, Acute Stroke Management.
Orthopedics & Trauma	Joint Replacements (Knee/Hip), Polytrauma management, Severe Burns Treatment.

Note: Coverage includes hospitalization charges, diagnostic tests, medicines, ICU charges, surgeon fees, and post-discharge medication for up to 15 days.

PMJAY-MA: Eligibility, Documents & Application

3. Eligibility Criteria

- **BPL Families:** All families listed under the state Below Poverty Line (BPL) database.
- **Income Limit (Middle Class):** Families with an annual income up to **₹4,000,000 (₹4 Lakhs)**.
- **Special Categories:** Ashram Shala students, unorganized sector workers with U-WIN / e-Shram cards, children under J.J. Act, accredited journalists, and Class-4 government employees.
- **Ration Card:** Families registered under National Food Security Act (NFSA).

4. Checklist of Required Documents

1. **Income Certificate** issued by Mamlatdar / TDO (stating annual income ≤ ₹4 Lakhs).
2. **Aadhaar Card** of all family members to be enrolled.
3. **Ration Card** (for family structure validation).
4. **Passport-size Photographs**.
5. **Mobile Number** linked with Aadhaar.

5. Card Application Process (Step-by-Step)

Online Method: Self-application can be processed via setu.pmjay.gov.in or the official **NHA Beneficiary App** using Aadhaar e-KYC.

Offline Method:

- Visit the nearest **e-Gram Centre, CSC Centre, Mamlatdar Office**, or PMJAY Kiosk at Civil Hospitals.
- Submit document photocopies along with original Aadhaar cards for verification.
- Complete biometric authentication (Fingerprint / Iris / Aadhaar OTP e-KYC).

6. Card Download & Renewal

Once approved, the **PVC Ayushman Card** can be downloaded directly from the portal. Current PMJAY-MA cards carry lifetime validity, though income certificates may require re-validation upon family updates.

PMJAY-MA: Hospital Claims & Kasturba Poshan Sahay

7. Hospital Network & Cashless Claim Process

Dedicated **Arogyamitra** helpdesks are established at all Government Hospitals, CHCs, and empaneled private hospitals.

Process for Cashless Service:

1. Present the Ayushman Card and Aadhaar Card at the Arogyamitra desk upon admission.
2. Arogyamitra generates an online Pre-Authorization Request in the portal.
3. Upon approval, treatment, surgeries, and medicines are provided 100% cashless.

8. Helpline & FAQs

Toll-Free Numbers: **14555** / **1800 233 1022** | **Portals:** pmjay.gov.in, health.gujarat.gov.in

Frequently Asked Questions (FAQs):

Q1: Is there an age limit for PMJAY-MA cardholders?

Ans: No, individuals of all ages from newborns to senior citizens are covered.

Q2: What if an empaneled private hospital denies cashless treatment?

Ans: File an immediate complaint by calling the 104 helpline or reporting to the Chief District Health Officer (CDHO).

2.2 Kasturba Poshan Sahay Yojana (KPSY)

1. Overview & Purpose

Purpose: To provide financial assistance to pregnant women and lactating mothers from low-income families in Gujarat, ensuring proper nutrition, preventing maternal-child malnutrition, and lowering MMR and IMR rates.

Kasturba Poshan Sahay Yojana (KPSY) - Details

2. Financial Benefits & Installments

Under KPSY, eligible mothers receive total financial assistance of **₹6,000** transferred in 3 equal installments directly to their bank accounts (DBT):

Installment	Amount	Eligibility Condition & Timeline
1st Installment	₹2,000	Upon ANC registration at Mamta Day during the 1st Trimester of pregnancy.
2nd Installment	₹2,000	Upon completing institutional delivery at a Government or empaneled health facility.
3rd Installment	₹2,000	Upon completing mandatory vaccinations for the infant up to 6 months of age.

3. Eligibility Criteria

- Pregnant women belonging to Below Poverty Line (BPL) families in Gujarat.
- Benefit is available for up to the first two live births.
- Mandatory registration under Anganwadi Centre with an official **Mamta Card**.

4. Required Documents

- MCP Card / Mamta Card** with updated health checkup entries.
- BPL Ration Card** or valid Income Certificate.
- Aadhaar Card** of the mother.
- Bank Passbook Copy** (Aadhaar-seeded bank account).

5. Application & DBT Process

No separate fee is required. The local **Anganwadi Worker (AWW)** or **ASHA Worker** registers the pregnant woman during Mamta Days and uploads data to the e-Mamta portal for automatic DBT disbursement.

6. Helpline & Portal

Toll-Free Number: **104** | **Portal:** e-mamta.gujarat.gov.in

2.3 Rashtriya Bal Swasthya Karyakram (RBSK)

1. Overview & Purpose

Purpose: Early identification and free management of health conditions among children aged 0 to 18 years, covering Birth Defects, Deficiencies, Diseases, and Developmental Delays (4Ds framework).

2. Covered Health Conditions (4Ds Framework)

Dedicated Mobile Health Teams screen children across schools and Anganwadis to provide free treatment and complex surgeries:

- 1. Defects at Birth:** Cleft Lip & Palate, Club Foot, Congenital Heart Disease (CHD), Neural Tube Defects, Down Syndrome.
- 2. Childhood Diseases:** Skin conditions, Dental Caries, Otitis Media (Ear Infection), Epilepsy/Seizures.
- 3. Deficiencies:** Severe Acute Malnutrition (SAM), Severe Anemia, Vitamin A & D Deficiencies, Goiter.
- 4. Developmental Delays:** Vision impairment, Hearing impairment, Autism Spectrum Disorders, Neuro-motor delay.

Special Feature: Super-specialty surgeries such as Pediatric Cardiac Surgeries, Kidney Transplants, Liver Transplants, and Cochlear Implants are performed completely free of cost for children at premier government and empaneled trust hospitals.

3. Target Beneficiaries

- All children aged 0 to 6 years enrolled at Anganwadi Centres.
- All students aged 6 to 18 years (Classes 1 to 12) enrolled in Government and Grant-in-Aid schools.

RBSK Referral Process & Pradhan Mantri Matru Vandana

4. Screening & Referral Workflow

****Documents Needed:**** School ID Card, Aadhaar Card, Mamta Card (for toddlers).

****Process:****

1. Dedicated RBSK Mobile Health Teams visit every school and Anganwadi annually for screening.
2. Children identified with health conditions receive an official Referral Card to CHCs, Civil Hospitals, or specialized institutes like U.N. Mehta Institute of Cardiology.
3. All diagnostic, surgical, and transport costs are fully borne by the state government.

5. Helpline & Information

****Toll-Free Number:**** 104 | ****Portal:**** rbsk.gujarat.gov.in

2.4 Pradhan Mantri Matru Vandana Yojana (PMMVY)

1. Overview & Purpose

****Purpose:**** A maternity benefit scheme providing cash incentives as partial compensation for wage loss, enabling pregnant women to take adequate rest and nutrition before and after delivery. Under revised guidelines (PMMVY 2.0), incentive is also extended for the second child if it is a girl child.

Pradhan Mantri Matru Vandana Yojana (PMMVY) - Benefits

2. Financial Assistance Structure

Financial incentives under PMMVY are credited directly into the beneficiary's Aadhaar-linked bank account via Direct Benefit Transfer (DBT):

Child Order	Total Benefit	Installment Breakdown
First Child	₹5,000	1st Installment: ₹3,000 (Upon pregnancy registration & ANC checkup). 2nd Installment: ₹2,000 (Upon birth registration & 1st cycle vaccination).
Second Child (If Girl Child)	₹6,000	Single Installment: ₹6,000 upon birth registration of the girl child.

3. Eligibility Criteria

- Pregnant women belonging to socially and economically disadvantaged sections (BPL cardholders, e-Shram cardholders, MGNREGA job cardholders, PMJAY beneficiaries).
- Women in regular employment with Central/State Governments or Public Sector Undertakings are excluded.

4. Required Documents

- Aadhaar Cards** of both mother and husband.
- Bank Passbook Copy** of the mother (Aadhaar-seeded account).
- MCP Card (Mamta Card)**.
- Child's Birth Certificate** (for second installment/girl child benefit).

5. Application Portal

Online applications can be submitted through pmmvy.nic.in or via local **Anganwadi Workers (AWW)** and ASHA staff.

2.5 Chiranjeevi Yojana & Balsakha Yojana

1. Overview & Purpose

****Chiranjeevi Yojana:**** A pioneer Public-Private Partnership (PPP) scheme encouraging private Gynecologists to provide free institutional delivery services to BPL/tribal women in rural areas to reduce maternal mortality.

****Balsakha Yojana:**** Ensures immediate expert neonatal intensive care for vulnerable or low-birth-weight newborns by empaneling private Pediatricians for free specialized care.

2. Covered Services & Benefits

Chiranjeevi Yojana:

- ****Free Normal and C-Section Deliveries**** at empaneled private maternity nursing homes.
- Free medicines, diagnostic lab tests, and meals for the patient and attendant.
- Financial allowance provided toward transport expenses to reach the hospital.

Balsakha Yojana:

- Free admission and treatment in private Pediatric ICUs / NICUs for high-risk newborns.
- Covers care across three specialized levels of neonatal complications.

3. Eligibility & Document Checklist

****Eligibility:**** BPL families, Scheduled Caste (SC), and Scheduled Tribe (ST) families in rural and semi-urban regions.

****Documents:**** BPL Card, SC/ST Caste Certificate, Aadhaar Card, and Mamta Card.

Balsakha & Niramay Gujarat Scheme Overview

4. Hospital Network & Claim Process

Medical Officers at Medical Officers/PHCs refer eligible cases to empaneled private gynecologists or pediatricians. Beneficiaries present their BPL card at the facility to receive 100% cashless treatment.

5. Helpline Information

Toll-Free Helpline: 104 | **Portal:** gujarat-health.gov.in

2.6 Niramay Gujarat Scheme

1. Overview & Purpose

Purpose: To screen, detect, and treat Non-Communicable Diseases (NCDs) such as Hypertension, Diabetes, and early-stage Cancers among citizens aged 30 years and above. The primary goal is preventing long-term complications through early preventive screening.

2. Screenings & Services Offered

- Hypertension & Diabetes Mellitus:** On-the-spot blood pressure and blood glucose testing.
- Cancer Screenings:** Oral Cancer, Breast Cancer, and Cervical Cancer screenings.
- Chronic Kidney Disease (CKD) risk evaluation and Anemia screening.
- Free distribution of long-term maintenance medications and issuing **Niramay Health Cards**.

Niramay Gujarat Scheme - Implementation & Camps

3. Eligibility & Screening Locations

****All citizens aged 30 years and above**** in Gujarat are eligible for free screening, regardless of family income limits.

4. Niramay Camps & Mamta Days

Every Friday, special ****Niramay Camps**** are organized across PHCs, CHCs, Sub-Centres, and Health & Wellness Centres (HWCs). ASHA workers also perform preliminary door-to-door screenings.

Niramay Health Card:

Following health screening, individual health records are digitized into the state NCD portal, generating a personalized ****Niramay Card****. Patients can collect free monthly prescription refills from local health centres using this card.

5. Required Documents

- Aadhaar Card.
- Voter ID Card or Ration Card.
- Active Mobile Number.

6. Free Medicine Distribution & Helpline

****Toll-Free Helpline:**** [104](tel:104) | ****Portal:**** niramay.gujarat.gov.in

Diagnosed patients receive free monthly supplies of antihypertensive and anti-diabetic medications directly from government health facilities.

2.7 Pradhan Mantri Bhartiya Janaushadhi Pariyojana (PMBJP)

1. Overview & Purpose

Purpose: To provide quality generic medicines at 50% to 90% lower prices compared to branded equivalents, significantly reducing out-of-pocket medical expenditure for citizens.

2. Benefits & Price Comparison Table

Janaushadhi Outlets stock over 1,800 generic medicines and 300 surgical consumables. Generic drugs are chemically identical and equal in quality and efficacy to expensive branded drugs:

Medicine / Treatment Area	Branded Market Price	Janaushadhi Price (Generic)	Savings %
Diabetes (Metformin 500mg)	₹40 - ₹60	₹10 - ₹15	75% Savings
Hypertension (Amlodipine 5mg)	₹30 - ₹50	₹6 - ₹8	85% Savings
Antibiotic (Azithromycin 500mg)	₹120 - ₹150	₹40 - ₹50	65% Savings
Analgesic (Paracetamol 650mg)	₹25 - ₹30	₹6 - ₹8	75% Savings
Sanitary Pads (Pack of 4)	₹30 - ₹40	₹4 (₹1 per pad)	90% Savings

3. Eligibility & Purchase Process

Available to **all citizens** without income restriction or eligibility documentation. A valid doctor's prescription is required for prescription-only drugs.

Janaushadhi & Dhanvantari Rath Mobile Units

4. Locating Janaushadhi Outlets

Citizens can use the **Jan Aushadhi Sugam** mobile app to find nearest outlets, compare medicine prices, and check stock availability.

Portal: janaushadhi.gov.in | **Toll-Free Helpline:** [1800 180 8080](tel:18001808080)

2.8 Shramik Annapurna & Dhanvantari Rath Scheme

1. Overview & Purpose

Purpose: Providing on-site primary healthcare, free diagnostic checks, prescription drugs, and subsidized nutritious meals to registered construction and unorganized sector workers directly at construction sites and labor hubs (Kadiya Naka).

2. Services Provided

Dhanvantari Rath (Mobile Medical Units):

- Customized mobile vans staffed with a Doctor, Lab Technician, and Pharmacist offering **free point-of-care consultations**.
- On-site lab diagnostic testing (Malaria, Anemia, Blood Sugar).
- Free drug dispensation and referral services to district hospitals for serious conditions.

Shramik Annapurna Scheme:

- Hot, nutritious meals (Roti, Sabzi, Dal, Rice) provided to registered workers at just **₹5 per meal**.

Shramik Welfare & Dhanvantari Rath - Eligibility

3. Eligibility Criteria

- Workers registered with the Gujarat Building and Other Construction Workers Welfare Board (GJBOKWB).
- Holders of **e-Shram Cards** or **E-Nirman Smart Cards**.
- Daily wage construction laborers gathering at designated labor hubs (Kadiya Naka).

4. Required Documents

1. **E-Nirman Card** or e-Shram Registration Card.
2. **Aadhaar Card**.
3. Active Mobile Number.

5. Service Access Method

Dhanvantari Rath vans visit designated construction sites and labor hubs every morning. Workers show their E-Nirman card to receive free health checks and purchase ₹5 meal coupons.

6. Helplines & Portal

Shramik Helpline: 155370 | **Health Helpline:** 104

Portal: enirman.gujarat.gov.in

2.9 108 Emergency Ambulance & 104 Health Helpline

1. Overview & Purpose

****108 Emergency Service:**** 24x7 state-of-the-art free emergency ambulance service operating across Gujarat in partnership with GVK EMRI for trauma, cardiac emergencies, obstetric cases, and critical care transport.

****104 Health Helpline:**** Free tele-health service providing medical advice, prescription consultation for minor illnesses, and state health scheme guidance over the phone.

2. Key Features & Capabilities

108 Emergency Ambulance Network:

- Equipped with ****ALS (Advanced Life Support)**** and ****BLS (Basic Life Support)**** equipment.
- Onboard medical ventilators, defibrillators, oxygen supply, and trained Emergency Medical Technicians (EMTs).
- ****108 Boat Ambulances**** for coastal regions and specialized 4x4 vehicles for hilly terrain.
- ****100% free transport**** to nearest appropriate medical facility.

104 Health Helpline Services:

- Free telephone consultation with registered medical practitioners.
- Symptom advice for minor ailments like fever, diarrhea, and cough.
- Mental health guidance and psychological counseling support.

108 & 104 Emergency Services - User Guide

3. How to Request Assistance

1. Dial ****108**** (for emergency transport) or ****104**** (for medical advice) from any mobile or landline without an area code.
2. Inform the call response officer of your exact location, patient condition, and nature of the emergency.
3. GPS-enabled dispatch assigns the nearest ambulance immediately with live tracking.

4. 108 Citizen App

Smartphone users can download the *****108 Citizen App**** to request an ambulance with one tap and track vehicle movement in real time.

Frequently Asked Questions (FAQs):

Q1: Are there any charges for using the 108 ambulance?

Ans: No, 108 emergency response services are 100% free for all citizens.

Q2: Does 108 transport patients only to government hospitals?

Ans: Ambulances transport patients to the nearest suitable hospital (Government or empaneled private hospital) based on clinical severity.

5. Target Response Times

Averages 10–15 minutes in urban areas and 20–25 minutes in rural locations.

2.10 Mukhyamantri Bal Seva & Severe Illness Assistance

1. Overview & Purpose

****Mukhyamantri Bal Seva Yojana:**** Financial support and complete health coverage for children orphaned due to COVID-19 or other tragic circumstances.

****Severe Illness Assistance:**** State-funded special grant scheme supporting expensive pediatric surgeries for Congenital Heart Disease (CHD), Cancer, Kidney Transplants, and Cleft Lip/Palate repair.

2. Scheme Benefits

For Orphaned Children (Bal Seva):

- Monthly financial stipend of ****₹4,000 per month**** up to age 18.
- Higher education allowance of ****₹6,000 per month**** from ages 18 to 21.
- Free Ayushman PMJAY-MA Card with ****₹10 Lakhs annual cover****.

Severe Illness Surgical Coverage:

- ****Cleft Lip & Palate:**** Free reconstructive surgery at Civil Hospitals and U.N. Mehta Institute.
- ****Kidney & Liver Transplants:**** State grants ranging from ₹5 Lakhs to ₹10 Lakhs.
- ****Cochlear Implants:**** Free implant procedures worth ₹7 Lakhs for hearing-impaired children under 5 years.

Bal Seva & Severe Illness - Special Hospitals & Process

3. Eligibility & Document Checklist

- Orphaned children or pediatric patients (0-18 years) with diagnosed severe congenital diseases.
- Parent Death Certificate(s) (for Bal Seva Yojana).
- Child's **Aadhaar Card** and School Certificate.
- Medical diagnosis report certified by a competent government medical officer.

4. Specialized Referral Centers for Severe Conditions

Medical Specialty	Specialized State Tertiary Center
Pediatric Cardiac Surgeries	U.N. Mehta Institute of Cardiology & Research Centre, Ahmedabad.
Oncology / Cancer Care	The Gujarat Cancer & Research Institute (GCRI), Ahmedabad.
Kidney / Liver Transplants	Institute of Kidney Diseases and Research Centre (IKDRC), Ahmedabad.
Cochlear Implantation	Government ENT Hospitals / Civil Hospital Ahmedabad.

5. Application Process & Helplines

Applications are submitted through the District Child Protection Unit (DCPU) or online via e-samajkalyan.gujarat.gov.in.

Helplines: [1098](tel:1098) (Childline) / [104](tel:104)

3. Comparative Summary of Major 10 Health Schemes

The table below provides a consolidated side-by-side comparison of Gujarat's 10 major government health schemes, including coverage limits and target eligibility:

#	Scheme Name	Key Benefits	Eligibility / Income Limit
1	PMJAY-MA Scheme	₹10 Lakhs annual cashless hospital cover	Income ≤ ₹4 Lakhs / BPL / NFSA
2	Kasturba Poshan (KPSY)	₹6,000 direct nutrition benefit (3 installments)	BPL pregnant mothers (1st two births)
3	School Health (RBSK)	Free screening & surgeries for 0-18 years	All Anganwadi & school students
4	Matru Vandana (PMMVY)	₹5,000 (1st child) / ₹6,000 (2nd girl child)	Underprivileged pregnant women
